ABOUT THIS WINERY

This new player in the landscape of Quebec vineyards since 2016 was quick to take his place and has certainly not finished surprising us! Located in Hemmingford in a region where several other wine producers are already established, this estate works with 9 grape varieties, and is in constant search to perfect its winemaking processes, under the relentless supervision of its winemaker Sébastien Daoust.

TASTING NOTES

Beautiful limpid dress. Aromas of flowers and fruits such as pear and apple. On the palate, the attack is crunchy with a salty, delicate and fruity side.

Pairings with fish, seafood and cheeses.

PRODUCT NOTES

Word from the winemaker:

It rings at the door. Already 5 p.m.? Impossible. And here are our friends. We throw the coats on the bed, we step over the mountain of toys... And we happily open the bottle of white wine which had been ready for a long time.
