ABOUT THIS WINERY

For several generations, Domaine Laporte, 21 hectares, has held a pioneering position and has acquired a reputation for the quality of its wines. This notoriety is the fruit of the rigor, the determination and the know-how of the two passionate Sancerre families who have succeeded one another.

TASTING NOTES

Pale yellow color with silver reflections. The wine is crystalline and clear. The nose expresses beautiful white flowers and very ripe yellow-fleshed fruits with a hint of angelica (small candied fruit). The palate presents a beautiful, very expressive and balanced freshness. The minerality of the flint stands out with a slight smokiness in the mouth. Le Rochoy develops superb fullness and astonishing generosity.

Pairings with lobster

PRODUCT NOTES

Le Rochoy is a unique hillside in the Sancerrois. It was once a Gallo-Roman quarry called "Rochetum". The flint stones strewn on the ground accumulate heat during the day and release it at night. The subsoil, composed of flint, gives this cuvée all its minerality. The ripening of the grapes is rapid and gives an exceptional white Sancerre.
