ABOUT THIS WINERY

In 115 years of hard work, Borges has become the reference for producers of the Douro Valley, designated by Unesco in 2001 as World Heritage of Humanity. By the excellence of its wines made from indigenous grape varieties from Portugal, by the resolutely modern style of its production, and by the exceptional quality / price ratio of its bottles, Borges is an example to follow.

TASTING NOTES

Delicate light straw yellow color enlightened by fine & abundant bubbles.

Aromas of yellow apple and citrus, with a hint of wet pebble. The palate is pure and elegant, and nicely balanced with freshness. Nice chalky finish and persistent bubbles.

Excellent as an aperitif and successful pairings with savory snacks, sushi or grilled fish.

PRODUCT NOTES

It is quite remarkable to have a sparkling wine aged on lees and produced using the traditional method at this price! One of the rare Portuguese sparkling wines offered at the SAQ, very dry, with just the right amount of dosage.

PRODUCTION NOTES

Complete destemming and pressing, then static cold settling for 24 hours. The must is separated from the lees followed by fermentation at controlled temperature. The wine is aged on lees for 2 months according to the traditional method, with the second fermentation in the bottle. Aging in bottle for about 15 months.
