### ABOUT THIS WINERY

In 115 years of hard work, Borges has become the reference for producers of the Douro Valley, designated by Unesco in 2001 as World Heritage of Humanity. By the excellence of its wines made from indigenous grape varieties from Portugal, by the resolutely modern style of its production, and by the exceptional quality / price ratio of its bottles, Borges is an example to follow.

### TASTING NOTES

Yellow in color with greenish reflections, notes of citrus and ripe and fresh tropical fruits perfume the glass. On the palate, the freshness presented confirms the nose, the volume on the palate showing good acidity with a pleasant persistence on the finish. Pairings with shrimp skewers, cod croquettes and cheeses.

### PRODUCTION NOTES

After 12 hours of skin maceration, pressing is done and only the drained must is recovered. A cold static decantation is carried out. After this, the must is separated from the lees. Then, fermentation begins at a controlled temperature of 14-16°C. When the alcoholic fermentation is finished, the wine is aged on the fine lees for 6 months.
