TASTING NOTES

Pale yellow in color with greenish iridescent, limpid and brilliant, aromas of flowers and white fruits (pear, apple and peach) open the door to a lively, clean and delicate palate without forgetting the ideal freshness side as an aperitif.

Pairings with fish, pasta, tapas, risotto and seafood.

PRODUCT NOTES

Located in the center of Spain, 15 kilometers from the cellar, the 725-meter vineyards outline an authentic and characteristic landscape typical of La Mancha. A natural enclave of 4,300 hectares, owned by Bodegas Latúe, it is one of the largest ecological vineyards in Europe. The unique conditions of the grape, provided by a rare rain and a pebbly coppery brown on limestone soil, give the wines an incomparable quality and personality.

PRODUCTION NOTES

The vinification takes place in stainless steel vats to give it freshness and liveliness. The vines are 45 years old for the Airén and 25 years for the Sauvignon.
