ABOUT THIS WINERY

In 115 years of hard work, Borges has become the reference for producers of the Douro Valley, designated by Unesco in 2001 as World Heritage of Humanity. By the excellence of its wines made from indigenous grape varieties from Portugal, by the resolutely modern style of its production, and by the exceptional quality / price ratio of its bottles, Borges is an example to follow.

TASTING NOTES

PRODUCT NOTES

On poor granite soils, protected from the Atlantic influence by the mountains, the vineyards of this part of the country see the ripening of grapes which have a relatively high natural acidity and which bring finesse and complexity.

PRODUCTION NOTES

Harvested by hand. Short pre-fermentation maceration, fermentation on the skins for 6-8 days, with regular pumping over. After alcoholic fermentation, the wine is separated from the solid followed by the malolactic fermentation. Aging in French oak barrels and stainless steel vats.
