ABOUT THIS WINERY

In 115 years of hard work, Borges has become the reference for producers of the Douro Valley, designated by Unesco in 2001 as World Heritage of Humanity. By the excellence of its wines made from indigenous grape varieties from Portugal, by the resolutely modern style of its production, and by the exceptional quality / price ratio of its bottles, Borges is an example to follow.

TASTING NOTES

Ruby color. Aromas of ripe black and red fruits with floral notes. Supple and silky on the palate, slightly oaked yet sapid, it has beautiful structure and fine tannins.

Will pair nicely with apple blood pudding, minced veal ravioli and black olives, Portuguese chicken.

PRODUCT NOTES

On poor granite soils, protected from the Atlantic influence by the mountains, the vineyard produces grapes that have a relatively high natural acidity and finesse and complexity.

PRODUCTION NOTES

Complete destemming, short pre-fermentation maceration and fermentation in vats for 6-8 days with fairly frequent pumping over. After alcoholic fermentation and malolactic fermentation, aging is done in stainless steel vats and French oak barrels for 18 months.
