ABOUT THIS WINERY

For several generations, Domaine Laporte, 21 hectares, has held a pioneering position and has acquired a reputation for the quality of its wines. This notoriety is the fruit of the rigor, the determination and the know-how of the two passionate Sancerre families who have succeeded one another.

TASTING NOTES

Very aromatic, we will note citrus notes: grapefruit, lemon or even flowers such as Narcissus and Jasmine. Dry white wine, elegant, with a nice balance between liveliness and smoothness.
Pairings as an aperitif, seafood and white meats.

PRODUCT NOTES

Sauvignon is a grape variety originating from the West of France. No one knows if he was born on the banks of the Loire or on the banks of the Garonne. But what is certain is that it does well in temperate zones, as is the case for the grapes in our Bouquet. These Sauvignons come from three regions adapted to its cultivation, such as the banks of the Loire, the Tarn Valley and the Charentais hillsides on clay-limestone soils.

PRODUCTION NOTES

After the harvest, the grapes are directly pressed. This wine fermented between 16 and 20°C in thermo-regulated stainless steel vats. It is aged for 3 months on fine lees.
