### ABOUT THIS WINERY

In 115 years of hard work, Borges has become the reference for producers of the Douro Valley, designated by Unesco in 2001 as World Heritage of Humanity. By the excellence of its wines made from indigenous grape varieties from Portugal, by the resolutely modern style of its production, and by the exceptional quality / price ratio of its bottles, Borges is an example to follow.

### TASTING NOTES

Notes of tropical fruits, white fruits and mint. Textured fruity palate, good concentration, very fresh. Pairing with seafood pasta, cheese fondue, roasted vegetable salad with feta cheese.

### PRODUCT NOTES

On poor granitic soils, protected from the Atlantic influence by the mountains, the vineyards of this part of the country see their grapes rippen with relatively high natural acidity, which brings finesse and complexity.

### PRODUCTION NOTES

Pressing and selection of must. Cold static settling. Fermentation at controlled temperature between 12 and 14 ° C. Aging on fine lees for 4 months.
