### TASTING NOTES

Straw yellow color with greenish reflections. Typical aromas of the Albariño variety such as apricot and peach as well as floral notes. This opens up on the palate to reveal a complex, dry and mineral wine with an incredibly long finish with more than a hint of typical saline freshness and crisp acidity. Pairings with seafood, tapas and cheeses.

### PRODUCT NOTES

A 17-hectare property, the vineyard is planted using a trellis system. Pioneer in Spain, they do an excellent job regarding aging on lees in stainless steel, obtaining excellent wines with great aging potential.

### PRODUCTION NOTES

The grapes, harvested manually, carry out a special maceration at low temperature which favors the extraction of aromas. Once the fermentation is complete, it is aged on its lees in stainless steel deposits for at least five months before being bottled for a rest of 4 months.
