### ABOUT THIS WINERY

In 115 years of hard work, Borges has become the reference for producers of the Douro Valley, designated by Unesco in 2001 as World Heritage of Humanity. By the excellence of its wines made from indigenous grape varieties from Portugal, by the resolutely modern style of its production, and by the exceptional quality / price ratio of its bottles, Borges is an example to follow.

### TASTING NOTES

Notes of tropical fruits, white fruits and herbaceous nuances. Textured palate with fruity, concentrated character, freshness and character.

Pairings with seafood pasta, cheese fondue, roasted vegetable salad with feta cheese.

### PRODUCT NOTES

On poor granite soils, protected from the Atlantic influence by the mountains, the vineyards of this corner of the country see grapes ripen which have a relatively high natural acidity and which bring finesse and complexity.

### PRODUCTION NOTES

Aging in stainless steel vats on fine lees for 4 months
