ABOUT THIS WINERY

For several generations, Domaine Laporte, 21 hectares, has held a pioneering position and has acquired a reputation for the quality of its wines. This notoriety is the fruit of the rigor, the determination and the know-how of the two passionate Sancerre families who have succeeded one another.

TASTING NOTES

Salmon color, the Sancerre rosé "Les Grandmontains" has a fine nose of grapes and exotic fruits. In the mouth, it provides a feeling of freshness while suppleness. Pairings with Asian cuisine and grilled meats.

PRODUCT NOTES

This wine comes from a terroir where the vines are located on the crest of hillsides facing South, South-West. This privileged location gives a Sancerre that we like to savor for its youth and its fruit.

PRODUCTION NOTES

The harvest is done by hand - Before being put in vats, it is destemmed - Pulled by bleeding after 24 hours of maceration, the Sancerre rosé ferments between 18 and 20°C for 8 days - No malolactic fermentation - Aging on fine lees until bottling in April
