	Varietal(s)	Catarratto 20 %
	Colour	White
	Sugar content	2
	Closure type	Cork

TASTING NOTES

Straw yellow color with greenish reflections. Floral aromas of mimosa and broom, white peaches and ripe pears. Rich in texture with good acidity with a freshness on the clean and persistent finish.
Pairings with vegetable salad and asparagus risotto.

PRODUCT NOTES

The Cavanera Etna estate is located on the northeast slope of the volcano. This is an area characterized by loamy, predominantly sandy soil, which has a high drainage capacity and a mineral content, especially phosphorus, magnesium and potassium. The volcanic soil characterized by its great drainage capacity gives the grapes a unique minerality enriched by the aromatic profile of Carricante and the complexity of Catarratto.

PRODUCTION NOTES

Exposure: northeast 720 meters. Manual harvest in mid October. Soft pressing and fermentation at controlled temperature. Aging for 3 months on lees in stainless steel vats.
