#### TASTING NOTES

Beautiful pure color, limpid and deep, dark purplish purple. The nose sparkles with red and black fruits (blackcurrant, currants), floral in turn with touches of lilac. The palate is balanced on finesse, well balanced and very aromatic, fresh with a nice well-melted frame, cherry on the finish with a lot of greed in all simplicity. Pairings with duck with blackcurrant, flank steak and goat cheese.

#### PRODUCTION NOTES

Harvest of a single plot with organic protection from the pickup thanks to non-saccharomyces yeasts which protects it from oxidation. In vats, we mix directly with the saccharomyces cerevisiae yeasts which will complete the fermentation. Limit of reassembly. Malolactic fermentation carried out naturally without adding bacteria.
