ABOUT THIS WINERY

This new player in the landscape of Quebec vineyards since 2016 was quick to take his place and has certainly not finished surprising us! Located in Hemmingford in a region where several other wine producers are already established, this estate works with 9 grape varieties, and is in constant search to perfect its winemaking processes, under the relentless supervision of its winemaker Sébastien Daoust.

TASTING NOTES

R1 is a fruity and light red wine with hints of black pepper. Its nose is reminiscent of jammy fruits such as plum and sour cherry. The palate is supple with light tannins. Perfect pairing with cold meats, a beef or vegetarian burger.

PRODUCT NOTES

Marquette, the grape variety used in the production of this wine, is grown on a plot of the vineyard called "Clos Johanne". This lot was named in memory of Johanne, a family friend who fought a long battle against Lou Gehrig's disease. This wine goes well with meals with family or friends. As Johanne liked to say: La vita è bella!

PRODUCTION NOTES

100% Marquette and vinified in stainless steel vats
