TASTING NOTES

Beautiful, shiny color. Very aromatic, citrus, grapefruit and floral notes. Beautiful acidity which reinforces the freshness of the wine and the palatability of the wine.
Pairings as an aperitif, fish and goat cheese.

PRODUCT NOTES

On the place called Calabre, the soil is clayey-limestone, very altered and heterogeneous with very limestone areas at the top of the slopes. Sustainable development remains a priority for the future.

PRODUCTION NOTES

Traditional vinification in vats with fermentation temperatures maintained below 20 °. Aged in stainless steel vats to keep its freshness and bite.
