	Sugar content	2.1
	Closure type	Cork

ABOUT THIS WINERY

This very important Burgundy trade company represents no less than 800 winegrowers between Chablis and Mâcon, reflecting a multiplicity of terroirs and microclimates, yet united in their production of sublime grape varieties and wines. Moreover, this company created by, and for, winegrowers is used to winning awards on an annual basis with its twenty cuvées unanimously recognized by all on the market.

TASTING NOTES

Pale gold color with white gold reflections. An intense nose of acacia flowers. The palate, with its apricot aromas and mineral notes, makes no compromise between its roundness and the very fresh and clean finish. To drink with grilled chicken, veal in sauce, mushroom risotto and cod accras.

PRODUCT NOTES

The Maconnais mountains form a set of slopes separated by parallel faults and oriented north / north-east and south / south-east. The vineyard is planted on limestone, clay and sandy soils, often mixed with sandstone pebbles.

PRODUCTION NOTES

Pneumatic pressing, settling, then alcoholic fermentation at low temperature. Aging on fine lees in vats, minimum 12 months.
