	Sugar content	1.3
	Closure type	Cork

### ABOUT THIS WINERY

Since 1934 this Château has produced its own bottles and the Devillard family is in its 5th generation of wine growers passionate about grapes and wine. Located in Mercurey in the greater Burgundy region, the 37 hectare vineyard benefits from all the typical attributes of the region, which the Devillards combine with rigorous vinification, always waiting for the maximum maturity of the fruits before starting their work.

### TASTING NOTES

### PRODUCT NOTES

10 small village plots and 3 Premier Cru plots (En Sazenay; Champs-Martin; Clos L'Évêque) make up this Mercurey Rouge. Climate & Soil: The plots are essentially clay-limestone with predominantly clay.

### PRODUCTION NOTES

The grapes are harvested by hand, sorted by hand and partially or 100% destemmed depending on the vintage. At devatting, free-run and press wine are carefully separated and aged separately. The wine is aged for 12 months at 80% in oak barrels of which 10% new barrels and 20% in stainless steel vats.
