ABOUT THIS WINERY

Another Portuguese pearl of the Upper Douro Valley, this family business brings together six farms in the village of Torre de Moncorvo, on both sides of the river. From old indigenous grape varieties, the House produces modern wines like its Cistus, standard bearer both of the philosophy of the Quinta, but also of its desire to offer its bottles in an exceptional quality / price ratio.

TASTING NOTES

Cistus Reserva has a dark garnet color. Aromas of ripe fruit on such as black plums and cherries. The palate is dense, opulent and with several complex aromas accompanied by tight and rich tannins which give it an impressive freshness on the finish.

Pairings with teriyaki beef, pulled pork and Cinfães.

PRODUCTION NOTES

Vinified in stainless steel tanks with temperature control from grapes from vines located in the Douro Superior. The wine underwent wood aging for a period of 14 months in 50% French and 50% American oak barrels.
