

Domaine de la Ferté Givry Clos de Mortières 2020

“ Here too the nose is troubled by the same secondary fermentation aromas. More interesting are the more attractively textured flavors that exude a subtle minerality on the longer if similarly mildly warm finale. This is less awkward and seems more likely to harmonize with time. ”

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
