“ Inky ruby. Intensely perfumed aromas of black and blue fruit preserves, exotic spices, cured tobacco, olive and potpourri are given vivacity by a smoky mineral nuance. Fresh and expansive in the mouth, displaying deeply concentrated boysenberry and cherry liqueur flavors, along with suggestions of candied violet, star anise and bitter chocolate. The floral and mineral notes return on the strikingly long, penetrating finish, which features harmonious tannins and a sweet touch of candied licorice.
